SOCIAL POLICY & LAW: INDIVIDUAL ASSIGNMENT

A. TOPICS
Choose a topic which is within the realm of social welfare policy. The topic should be problem-oriented rather than program oriented. Do not choose a topic that is too large.

B. FINDING AND SELECTING SOURCES
Choose appropriate sources to explain your topic. Possible sources of info include newspapers, magazines, web-based info, journals, oral interviews, program brochures etc.
At the end of your readings and selecting sources, you should be able to choose one specific issue on social welfare and answer the following questions in the assignment:

a. What is the social problem underlying the issue?
b. How serious it is?
c. How many people are affected?
d. What are the current policies and laws that address the problem?
e. What are the advantages or disadvantages of the current policies?

C. WRITING PROCESS & PRESENTATION OF ASSIGNMENT
a. Hard copy
i. State your problem statement; objectives; methodology; results; conclusion; implication, and bibliography
ii. Type-written; 12-point arial font; 1.15 line spacing; justified paragraphs; page numbers; cover page.
iii. Max number of pages – not more than 15 pages including bibliography.
iv. Submit the hard copy assignment in week 10th of the semester via email: muslihah@upm.edu.my
